THE AMPUTATION PREVENTION SYMPOSIUM

26 - 28 OCTOBER 2026

AMSTERDAM MARRIOTT HOTEL, THE NETHERLANDS

[HMPGLOBALEVENTS.COM/AMPEUROPE](https://hmpglobalevents.com/ampeurope)

DEAR INDUSTRY PARTNER

I would like to invite you to the 8th Amputation Prevention Symposium Europe (AMP Europe) which will take place during 26 - 28 October 2026 in Amsterdam, The Netherlands.

As in previous years, AMP Europe will have a similar focus, tailored to the European perspective, as the Amputation Prevention Symposium, the flagship congress held annually in August in Chicago, IL, USA.

AMP Europe will address an unmet need, providing awareness and education regarding Critical Limb Ischemia prevalence, diagnosis, treatment (surgical, endovascular and medical management), and post-revascularization surveillance. This congress is the only one of its kind dedicated to the treatment and prevention of CLTI, which remains a global problem due to many factors, including a lack of awareness within the healthcare community and the general public.

AMP Europe will serve as an excellent forum to connect clinicians—interventional cardiologists and radiologists, vascular surgeons, angiologists, and the entire limb salvage team—with the foremost experts in CLTI to gain knowledge and learn from one another.

The program will address issues commonly encountered in daily practice and will provide attendees the opportunity to gain insight and perspective on technical CLTI advances from around the world.

The Symposium offers numerous opportunities for sponsors and exhibitors to market and showcase their products and services to key opinion leaders in the CLTI field and will also provide tailor-made packages to suit your needs.

I am looking forward to welcoming you in Amsterdam.

Jos C. van Den Berg MD PhD
AMP Europe Course Director
